CRAFTY TEMPLATES

Quirky Creative Papercraft Goodies

Simple Sketches is a printed supplement of ideas for main Quirky Kit subscribers. The sheet contains sketches and starting point ideas for scrapbook pages and embellishing to give you a kick start in creating with your new kit. Remember to also visit the Quirky Kit blog and Pinterest boards for more ideas and inspiration from the design team and across the web. You can find links to these on the main store page, www.craftytemplates.co.uk

Sketch One

Cut Out Title

Mix up your patterned paper and cut out a large title from the patterns. You could use a template or hand cut them out. If you wanted to do a longer title you could hand cut out just one word or the first letter of the title.

Haphazard Edges

Try making a layout with all hand cut out paper pieces. Don't worry too much about a straight edge, play around creating haphazard shapes.
