

July 2011

Design Team Inspiration

This month we've been inspired by the summer and have some fab camping themed templates some pretty weather inspired ideas and other general fun summer themes. Check out the lush cards made by the design team this month.

This month we've also been using a new digital paper kit called 'Sundae Girl'. It's available to download from the Crafty Templates store for just £1! Print them onto plain or textured cardstock to make your own exclusive patterned papers.

Check out the full details here, <http://www.craftytemplates.co.uk/sundaegirlpapers.html>

Have fun this month! xx Leonora
