

# October 2011 Design Team Inspirations

Hi!

Welcome to the October extra inspiration! This month the autumn has inspired some of the card designs. There's also a little bit of inspiration coming from the baking trend that's very popular right now. Check out the cards that Kathy has made as extra inspiration for us this month. There's a kit available this month too from the main Crafty Templates site, <http://www.craftytemplates.co.uk>

Have fun this month!  
xx Leonora
